4 halls, a conference complex with multiple meeting and break out areas, 14,000sqm of covered space and 250 acres of outside space.

All of which brings us to the leading reason for bringing your exhibition, conference, seminar, corporate event, festival or team building day to NAEC Stoneleigh. It has to be our blank canvas; the sort of let-your-imagination-run-wild space that any organiser would love to get their hands on. Part of this is down to the way that you can take ownership of your space.

Our four main halls combine for a maximum capacity of 14,000 square metres.

Hall 1 is 3,000 square metres total capacity, linked or used in isolation.

Hall 2 spans 4,536 square metres total capacity linked or used in isolation.

Hall 2a Hall 2a offers a further 2,400 square metres of floorspace

Hall 3 provides a further 3,978 square metres total capacity.

We think that's an impressive amount of floorspace and visitor capacity allowing your event to grow and expand – and that's before we even factor in our Grandstand Suite, Stareton Hall and Oak Tree conference and meeting rooms.

There's a host of benefits for using us for your smaller events too. For starters, we offer exceptional value for money. Then, there's the fact we have numerous purpose built conference and meeting suites to choose from. Of course there's also our convenient, easy access central location, and in-house catering.

In-house Catering

- 80% of our food is home-made and freshly produced on site, under the guidance of our Head Chef
- Passionate about high quality, locally produced, sustainable food sources, including meat from a number of local farms
- Separate kitchen and catering facilities also available at Stoneleigh Park Lodge
- We appreciate the importance of time during a busy show. We also offer a 'Food to You' service, delivering directly to your stand drinks/food.

Parking

When it comes to exhibition parking at NAEC Stoneleigh, it's rare to be so spoilt for space. With around 10,000 spaces available you won't need to search for a spot - once your satnav has brought you to NAEC Stoneleigh (CV8 2LH), follow the signs for the show you're visiting.

Onsite, hardstanding car parking is close to each venue entrance. Spaces are allocated on a first come, first serve basis. Disabled Parking is available located near the Hall entrances. Please see our site map for locating these.

Event Services - Online platform

We offer organisers an all-in-one platform where you can access all the relevant documents you need from a venue perspective to make sure your event runs smoothly. In addition, we offer our exhibitors the exhibition order form via our website. Here, you'll be able to purchase all the services you need for your stand while attending events here at NAEC Stoneleigh.

Accommodation & Partners

We know how important it is to have convenient, high quality accommodation available for guests, delegates and exhibitors.

On site, we have Stoneleigh Park Lodge, offering bedrooms located less than a 2 minute walk away from our prime event space. With 57 bedrooms, the Lodge is most typically suited to accommodating event crew onsite.

To accommodate exhibitors and delegates, we look a little further afield and work in partnership and have longstanding relationships with all the leading hotels in the surrounding area. They are able to provide our clients with not just the best prices but also the most flexible booking, cancellation and amendment arrangements.

We are pleased to offer a further 2,000 bedrooms within a 15 minute drive of the venue across our dedicated hotel partners. The venue can recommend supporting suppliers for shuttle bus services, coaches, or taxis if required.
